No. 3

Stetson University Bulletin is published quarterly in Science Hall, Woodland Boulevard and Minnesota Avenue, DeLand, Florida. Entered as second class matter at the Post Office at DeLand, Florida, under the Act of August 24, 1912.

FOREWORD

Welcome to Stetson University! You are now a part of a University founded on Christian ideals and dedicated to the task of aiding its students in achieving full realization of their capacities and full awareness of their obligations.

In dedicating this Handbook to you new students, it is hoped that it will not only help you understand our campus life, but that it will help you grasp the spirit which is an intrinsic part of Stetson.

The Handbook contains essential information for all students. Throughout, you will find essential information presented from the student's viewpoint aimed at answering the questions which are in the mind of every new student. Let this Handbook be your guide throughout the year.

I wish to express my sincere appreciation to Mr. Blan Taylor for his assistance in compiling the Handbook, Randy Ritter for his art work, and the administrative officers, faculty members and students who cooperated to the full extent in putting the Handbook together.

On behalf of Stetson University, I take great pleasure in wishing you, The Class of 1958, a most successful college career.

THE STETSON SEAL

The seal of John B. Stetson University was adopted between 1889 and 1891, about the time the name of the institution was changed from DeLand College to John B. Stetson University. It first appeared on a university catalogue in 1891. The drawing was by an artist-in-residence and approved by President Forbes, Henry DeLand and John B. Stetson as well as by the Board of Trustees. The Latin motto, "Pro Deo Et Veritate", is translated "For God and Truth". The Lamp, signifying the Light of Truth, rests on the Book of Wisdom.

THE STETSON COLORS

The Stetson colors, Green and White, were adopted about the same time as the Seal and were used at the beginning of intercollegiate athletics in Florida as newspaper accounts of the first college football game in 1901 told of Stetson fans waving their colors of Green and White, as they urged their team to victory. At the first commencement in 1893 the stage was decorated in Green and White. It is believed that the colors were chosen from the rich green of the orange trees and the pure white of the orange blossoms, a magnificent sight in the spring throughout Florida's great citrus belt. The color white represents purity and green signifies growth.

Introducing Stetson

THE CAMPUS

The principal campus of Stetson University comprises forty-three acres within easy walking distance of the center of DeLand. Some twenty-four buildings house its varied activities. Administrative offices are in Elizabeth Hall, which is the largest classroom building and contains the principal auditorium. The physical sciences are housed in Flagler Science Hall, the School of Music in DeLand Hall and annex, dramatic activities in the Stover Little Theatre, and the art department in Holmes Hall. The School of Business has its own building. Allen Hall, dedicated in 1950 as the student religious center, provides facilities for recreation, worship, and conference, as well as offices for all student religious workers. The Monroe

Heath Museum, in Science Hall, exhibits examples of Florida plant and animal life together with certain arts and crafts of North American Indians. The William E. Holler Memorial Fountain, with its display of colored light, beautifies the quadrangle between Elizabeth Hall, the Library, and Holmes Hall. There are gymnasiums for men and women, several playing fields, dormitories, and refreshment and recreational facilities. Food service is provided at the University Commons under the direction of a trained dietitian.

HISTORY

Stetson was founded in 1883, became a college in 1885, and a university in 1887. Known first as DeLand Academy, after the principal founder of the town, Henry A. DeLand, its name was changed to Stetson University in 1889 in honor of the well-known hat manufacturer who gave generously of his time and means. From 1898 to 1910, Stetson was affiliated with the University of Chicago in a unique student exchange plan. The College of Law, organized in 1900, was admitted to membership in the Association of American Law Schools in 1931. The next year the University was accredited by the Southern Association of Colleges and Secondary Schools. Its School of Music became a member of the National Association of Schools of Music in 1936. The School of Business was organized in 1940. Popularly known as Stetson University, the legal name of the corporation is John B. Stetson University.

FACULTY ADVISORY SYSTEM

Each student at Stetson has a faculty adviser, a member of the faculty who has been chosen to assist him in making sound decisions regarding his academic program, his vocational choice and other personal plans. In most instances, the adviser is a professor of the academic field in which the student wishes to specialize.

An entering student has many opportunities to become acquainted with his adviser during his first few weeks in college through participation in the Orientation Program. He learns more about his own interests, aptitudes and abilities by means of tests and personal conferences. He learns about academic requirements and vocational opportunities from reading and from further conferences. He continues to find his adviser helpful at the upperclass level. The adviser assists him in making out his academic program each term, gives helpful suggestions when he has difficulty in certain courses and serves as an interested friend when the need arises.

The advisory system is coordinated by the Guidance Office, which endeavors to make adviser assignments which are mutually satisfactory to both students and advisers. This office also has facilities for psychological testing, remedial work in reading and studying, and personal counseling. The Dean of Men, Dean of Women and other administrative officers give assistance to students which is supplementary to the advisory system.

STUDENT ADVISORY SYSTEM

Each spring the Deans of Men and Women choose a group of students to become Freshman Advisers for the following fall season. These students are chosen, not for their high scholastic average nor for numerous extra-curricular activities, but for their ability to represent all phases of college life, and still further, to help each new student to become a member of the Stetson family as quickly as possible. An adviser begins his contact with a freshman through correspondence during the summer and such associations prove profitable to both adviser and advisee. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, has found his place in the group and has adjusted himself socially and mentally to campus life.

SOME HINTS ABOUT STUDYING

It is impossible to get an education without studying. It takes work on your part as well as on the part of your professors. Effective study habits will help you not only to get a better education in less time but also to enjoy the time you spend in studying. The following ideas have been helpful to many students:

1. Schedule a regular time to prepare for each course. Choose hours during which your mind is alert. This will save you time in the long run.
2. Make use of those "spare hours" during the day. If you budget your time well and stick to that plan, you will have much more time for "outside activities."
3. Study in a quiet place. Try the library. You'll be surprised how much faster you can get your studying done.
4. Don't read an assigned chapter straight through, as you would a mystery book. Remember these points:
 - a. **Preview** your assignment. Scan through the chapter to discover the main points made, the chief terms used and the general area covered. Don't read for details at this point.

- b. **Read** the chapter. After you have an idea of what the chapter contains, read it thoroughly. Try to get a clear understanding of the main points that are made. The details may then be associated with something definite.
 - c. **Review** the assignment. Immediately after reading a chapter, close your book and try to recall the main outline of what you have read. Quiz yourself about the material covered.
5. Remember that the author of your text had a **brief** outline in mind as he wrote each chapter. You don't "know" the chapter until you have that outline clearly in mind.
6. **Think** while you are taking notes in class or outlining reading assignments. Try to re-state what your professor or your book has said **in your own words** to be sure you understand what is meant.
7. Your education is not measured by the number of pages of notes that you take in class or the length of your reading outlines. Omit trivial details. Make your notes brief and to the point.
8. Your professors are more than willing to help you develop proper study habits. Just give them a chance.

All freshmen, sophomores, scholarship students and those other students employed by the university are required to eat in the Commons. All other students and faculty are welcomed and may either pur-

chase meal tickets or pay cash for whatever items they choose. Special parties may be arranged with the food director at a minimum charge but must be scheduled well in advance of the date. Such parties must be registered in the office of the Dean of Women.

The Soda Shop is operated for the convenience of the students and faculty. Its hours are arranged to meet the needs for "snacks" but it is not equipped to serve meals. Sandwiches, cold drinks and coffee may be ordered to "take out" and it is desired that many will avail themselves of its services during evening hours.

Hours:

Weekdays	6:45 A.M. to 10:30 P.M.
Saturdays	7:00 A.M. to 10:00 P.M.

COOPERATIVE EDUCATION PROGRAM

The Cooperative Program is a work-study plan. Students who meet entrance requirements for this program attend the University and receive on-the-job training in alternate semesters; the job training is supervised employment in the student's chosen occupation. A substantial part of the cost of the student's education may be earned in the periods of employment. At present co-op study is available only in the School of Business and the Department of Chemistry of the College of Liberal Arts.

Detailed information is available from the Dean of the Business School.

EMPLOYMENT

Do you need a part-time job? Employment by the University is available to a limited number of students. An average of C in academic work is required of those employed by the University. See the Business Manager for employment applications.

THE UNIVERSITY INFIRMARY

The University Infirmary is staffed and equipped for the treatment of all minor injuries and illnesses, and provides for the hospitalization of those acute illnesses not requiring special nursing care. All full time students are entitled to these services. The University physician is on call at all times and visits the Infirmary every day. Appointments are made by contacting the nurse prior to noon, if possible.

The University is not responsible for treatment and care beyond the services offered by the Infirmary. The Infirmary offers emergency treatment for epilepsy, asthma, diabetes, etc., but cannot accept the responsibility for the continuous care of these or any prolonged illness.

All surgery, major or minor, performed at the Infirmary or elsewhere, is at the student's expense. If a physician is called without the proper authorization, or if a student visits the University's physician's office downtown without proper referral, this is also paid by the student.

Absentee cards for classes and chapel are issued only to those students who have been ill in the Infirmary or at home. The cards must be initialed by the appropriate instructors and returned to the Dean of Women or Men. A student ill at home is to bring a signed statement to the Infirmary upon his return to classes. All students living on campus or off should notify the Infirmary if possible of any illness or accident causing absence from classes. The University cannot accept the responsibility of illnesses or injuries unless they are reported to the Infirmary.

All dormitory girls must sign out if they are remaining in the Infirmary overnight. The nurse will be responsible for signing out any girl for more than one night. Students leaving the Infirmary to go home with parents or otherwise must sign out from respective dormitory.

LOST AND FOUND

The University Book Store is operating the campus Lost and Found Department. Any lost article may be claimed at the Book Store with proper identification.

PARKING

Use the student parking areas.

Beware of parking in the No Parking areas on East Minnesota Avenue. The police feel that college students should be able to read the restricting signs.

And if you want your mail on time, remember that the parking space directly east of the Soda Shop entrance is reserved for mail trucks only.

Every car operated by a student or faculty member must bear a university automobile stamp in order to procure parking space. This stamp is issued at registration time upon payment of a nominal fee.

POST OFFICE

The Post Office is located in the Soda Shop. All students should secure a Post Office Box as soon as possible.

The window is open Monday through Friday from 10:00 a.m. to 11:45 a.m. and 3:00 p.m. to 5:15 p.m. It is also open from 10:00 a.m. to 12:15 p.m. on Saturday. Mail arrives at 8:30 a.m. and at 2:00 p.m. Mail leaves at 9:00 a.m. and 12 noon and 5:30 p.m.

SAMPSON LIBRARY

The library is a depository of knowledge, culture, and experience in printed form and serves as a general lab-

oratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both study and recreational reading. Attention is called to the new Browsing Collection which now numbers about 900 volumes and includes the latest and best light reading in fiction and non-fiction. The staff will gladly assist any student in locating and using library materials. Hours will be found posted on the door of the library building. Each year a handbook is published which gives detailed instructions concerning the use of the library resources. This handbook may be secured at the Charge Desk in the Reading Room of the University library.

SCHOLARSHIPS, AIDS, PRIZES AND AWARDS

Stetson offers a varied number of scholarships, aids, prizes and awards for worthy students. Every student should look into the possibilities of obtaining them. See the Catalog, as well as the copy of **Your Opportunity** available in the library.

STUDENTS DEPOSIT FUND

Student banking facilities are maintained at Stetson.

Under the plan, students will be permitted and encouraged to deposit their personal cash in the Business Office of the University. Withdrawals of cash will be made at the discretion of the student. The Business Office may require a reasonable notice of withdrawals of large sums at one time due to the minimum amount of cash to be kept in this office.

The University will keep this money in an account at the Barnett National Bank designated "Stetson University Students' Deposit Fund." This fund is for the exclusive use of students, and all transactions are handled only through the Business Office.

Regular banking procedure will be put into effect. A pass book will be issued to each student having an account. **This book must be presented with each transaction.** A regular deposit blank will be used to deposit money and

this will be recorded in the pass book to reflect not only the receipt but also the new balance to the credit of the student.

Checks will be used for withdrawals of money and they will not be negotiable or cashed at any place except the Business Office. In effect, they will resemble checks but actually be a receipt signed by the student that he received a certain sum of money from the Business Office which is to be charged to his personal deposit account. The pass book must be presented to make these withdrawals.

The University makes no charge for this service to the students.

RELIGIOUS LIFE

It is the purpose of Stetson University to realize in the curriculum and the classroom the implications of its motto, **For God and Truth**. Every endeavor is made to translate Christian principles into campus life and activity. Chapel services for all students are held regularly. Vespers, planned and directed by students, are held several evenings a week. Religious organizations endeavor to increase the churchmanship of the student body. Allen Hall serves as the center of the campus religious activity program. The Director of Religious Activities coordinates the interests represented by the organized religious groups.

CHURCH ATTENDANCE

All students are urged to attend Sunday School and Church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories and the libraries are closed.

THE VESPER SERVICE

The Vesper Service is a non-denominational service held at 6:30 p.m. on Monday, Tuesday and Thursday eve-

nings in Elizabeth Hall. The service seeks to strengthen the spiritual life of the student body.

University Regulations

GENERAL UNIVERSITY REGULATIONS

Each student at Stetson University is subject to the rules and regulations of the University as printed in the Annual Catalogue and in the Student Handbook. Failure to acquaint oneself with these publications can result in serious consequences. Below are listed some of the regulations about which a student will be concerned frequently and a statement of the University's expectations concerning the students' conduct.

1. **Change of Registration.** If a student desires to add or drop a course after he has completed his registration, he must first secure the approval of the Dcan

of Women or Dean of Men and also his Faculty Adviser's approval. Courses dropped after the first week of classes will automatically count as failures except in special cases.

2. All social events must be scheduled on the University Calendar which is kept in the office of the Dean of Women. Students who are responsible for events which need chaperons should consult this calendar and make necessary arrangements in the Dean of Women's office well in advance of the event.
3. **Withdrawal from University.** Official withdrawal from the University is granted by the Dean of the University. See page 26 of the Annual Catalogue.
4. **Academic Probation and Suspension.** Students whose cumulative academic averages drop below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University. See page 25, Annual Catalogue.
5. **Class Attendance.** The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences: (1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the Office of the Dean of the University. (2) Ten per cent of class meetings is regarded as a maximum of absences—for illness, emergencies, social activities, or whatever reason.
6. **Examinations, Inventories, Grades, Quality Points.** Inventory exams are given at the end of each six weeks period in most courses to see how the student is progressing in his work. Examinations are given in all courses at the end of each semester. Grades and Quality Points in courses represent the instructor's final estimate of the student's performance and are based on all work done during the semester. A (three quality points per semester hour), B (two quality points per hour), C (one quality point per hour), and D (no quality points per hour) are passing grades

- for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours. See pages 24 and 25, Annual Catalogue.
7. **Physical Education.** Undergraduate students under thirty years of age are required to take physical education three hours per week for the first four semesters of their college work. See pages 27, 58, and 59, Annual Catalogue.
 8. **Expenses.** A student should expect University expenses of approximately \$525 to \$550 per semester. See pages 27, 28, and 29, Annual Catalogue.
 9. **Chapel Attendance.** As a church-related University, Stetson considers the regular worship service held each Wednesday and the Friday assembly to be an integral part of the total educational experience of each student. Both programs are designed for the purpose of drawing the student body and faculty into a unit through common worship and through the sharing of educational and aesthetic experience. Hence attendance at both programs is required of all students. The following regulations have been designed to emphasize the important place held by the services in the estimation of the University.
 - (1) Each student is allowed three absences in each semester which need not be accounted for.
 - (2) The fourth, and subsequent, absences, unless excused by the Dean of Women or the Dean of Men, will be recorded on the student's permanent record. They will become a part of his file and will be referred to if his conduct or academic record is under consideration. They will be there for reference when, for example, prospective employers inquire concerning the student's total record at Stetson. They will be considered together with other evidence if the student should become eligible at any time to be dropped from the University.
 - (3) Each absence in excess of three, unless excused by the Dean of Women or the Dean of Men, in

any one semester will result in the deduction of one-half quality point.

- (4) If a student's unexcused absences exceed four in any one semester, appropriate disciplinary action will be taken. The procedure will follow that for any other serious infraction of University rules and may result in suspension from the University.
10. Stetson men are expected to dress in good taste at all times. It is requested and expected that coats and ties will be worn when the occasion demands.
11. See Annual Catalogue for any other questions concerning General University rules and regulations.

Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However there are certain rules and regulations concerning conduct on and off the campus which have been printed for the guidance of all concerned. These rules appear in this student handbook and each student should familiarize himself with them.

Disciplinary matters, unless handled by the Men's Council, Women's Council, or the student Deans, will be referred to the Academic Council. The University does not single out any particular action for penalty. Each student should understand clearly, however, that any conduct on his part which results in bad publicity for the University or which is a reflection against the ideals of the institution will cause him to be called before the Academic Council. There he will give an account of his actions and be liable for suspension.

Because of the danger of fire, smoking is prohibited in University buildings. Women students are not permitted to smoke anywhere on the campus except in dormitory rooms.

Each student will see that his correct address is filed in the office of the Dean of Men or Dean of Women.

Firearms, firecrackers and explosives are prohibited.

The purchase, possession or use of alcoholic beverages is forbidden.

A student who marries while in residence must notify

the administration in advance; failure to comply is grounds for suspension. Approval will be granted upon request from parents or guardians and after plans have been cleared with the Dean of Women or of Men.

All students who have cars must register their license tag numbers in the office of the Dean of Men.

When a student is involved in serious difficulty—whether academic, financial, social or otherwise — the University will notify his parents or guardian.

A student who has been suspended for violation of conduct regulations will not be allowed to attend any University social functions during the term of his suspension.

A FEW THINGS ALL STUDENTS SHOULD KNOW ABOUT THE WOMEN'S DORMITORIES

1. Calling hours for men in the women's dormitories:
Sunday 10:00 a.m. to 10:30 p.m.
Saturday 12 Noon to 11:00 p.m.
Friday 1:00 p.m. to 11:00 p.m.
Other days 1:00 p.m. to 8:00 p.m.

(When calling for dates during hours not listed above, boys are asked to go to the desk and give the date's name and then wait on the porch.)

2. Girls are requested not to talk from the windows of the dormitories; their friends are urged to respect this regulation.

3. Telephones in the women's dormitories are limited (as they are in the men's dormitories)! We therefore request all students to refrain from lengthy or unnecessary telephone calls. Girls are not called to the telephone after closing hours except in cases of emergency.

4. The dormitories close promptly at 10:30 on week nights and at 11 o'clock on Friday and Saturday nights (except for those girls who have special late permissions). Boys should be aware of the hour at which their dates are to be in and cooperate accordingly. The porch lights are flashed five minutes before closing time as a warning.

5. Boys who date dormitory girls share the responsibility of adhering to the regulations.

HOUSING RULES FOR MEN

All unmarried freshman and sophomore men are required to live in the University dormitories unless they live at home with their parents or guardians.

No student may live in quarters that have not been approved by the Director of Men's Housing.

All approved housing units for unmarried men require the renter and the landlord to be under the same roof.

Garage apartments, trailer camps, houses, motels, or auto courts cannot be used as rooming facilities for unmarried men.

Unmarried men will not be allowed to commute unless they live at home with parents or guardians and written permission for commuting has been filed by the parents or guardians in the office of the Dean of Men.

The University reserves the right to inspect any man's living quarters.

Cooking or otherwise preparing meals in dormitories is not permitted.

Changes of living quarters must be approved by the Director of Men's Housing, before they are made.

There are no washing machines in the dormitories. All men must make proper arrangements with the laundry representative in their dormitory or take their laundry downtown.

This Council reviews all violations of University regulations and recommends certain penalties to the Dean of Men. WOMEN'S STUDENT GOVERNMENT ASSOCIATION

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Women's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity and responsibility. The future will be determined in like manner. Each girl is called upon for whole-hearted participation, realizing that through this participation she—as an individual—speaks and will—as an individual—contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the executive council.

Detailed information concerning dormitory regulations is published for dormitory women in the booklet entitled "A Student Guide to Good Living for Dormitory Women."

Lambda Chi Alpha—Sigma Omega chapter was installed at Stetson on April 23, 1949.

Pi Kappa Alpha—Delta Upsilon chapter was installed in March, 1951, after having existed as a local since 1948.

ELIGIBILITY FOR PLEDGING AND INITIATION

1. Students under 21 years of age must have the written consent of parents or guardians to join a fraternity.
2. No one will be certified for pledging or initiation on the basis of mid-term grades.
3. No student who has given up pledgeship or who has been dropped by the fraternity from its pledge list will be permitted to join another fraternity for one academic year including the semester in which he was dropped.
4. A student is not eligible for pledging or initiation if:
 - (1) He owes a financial obligation to the University, to local merchants or to others in the community.
 - (2) He is not a full-time, regularly enrolled student.
 - (3) His name has not been submitted to, and approved by, the Dean of Men and other members of the administrative staff. Each fraternity will submit to the Dean of Men a list of prospective pledges, who will then certify as to their eligibility for pledging. The list shall be presented to the Dean of Men at least two days before the day of pledging. All fraternity men will please note that the list shall be typed, or printed, in alphabetical order, using the full name of the individual.
- (4) He made less than a C average on twelve semester hours in the preceding college term or less than a C average in high school.
- (5) He has not been in attendance at Stetson University for at least four weeks, excluding the week of orientation and registration.
- (6) He is a new student admitted on probation.

RUSH, PLEDGE AND INITIATION ACTIVITIES

These events must be scheduled in advance with the Dean of Women and the Dean of Men, and they must conform to the regulations approved by the National Interfraternity Conference and by the local Interfraternity Conference.

PANHELLENIC

Panhellenic is an organization composed of three delegates from each sorority on the campus. There is close cooperation in Panhellenic on such matters as the maintenance of University and sorority standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Panhellenic. The main purpose of a college Panhellenic is to provide a medium through which sorority women may work together, may cooperate to unify the interests of women students.

Alpha Xi Delta—Omega Chapter was established at Stetson in 1917.

Delta Delta Delta—Alpha Delta Chapter was established in 1913. For several years previously it existed as a local.

Phi Mu—The Alpha Xi Chapter was established at Stetson in 1949.

Pi Beta Phi—Florida Alpha Chapter was established at Stetson in 1913, having existed as a local for several years previous to that time.

Zeta Tau Alpha—Beta Psi Chapter was established in 1934, after having existed for several years as a local.

Alpha Dxioma*—The Alpha Chapter of Dxioma was established in May, 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University who are not associated with a national social organization may become members.

*Alpha Dxioma is not a unit of the Panhellenic Association.

MEMBERSHIP

Approximately one-half of the Co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

1. Sorority Chapters—A chapter is a group of college women who have elected to establish a close affiliation with one another for four years as college students and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social customs.

2. Rushing—Rushing gives girls who are interested in pledging to a sorority an opportunity to become acquainted with the sorority women on the campus and to know something of their organizations. During rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each sorority send recommendations to their chapter for sisters, relatives or friends entering college who they think, would be adaptable to these chapters. During rushing these recommended persons largely make up the group of rushees.

Informal rushing is carried on during the remainder of the college year during which time each sorority is permitted to invite rushees to the chapter room to be guests at parties, etc. This latter type of rushing is done to select new members from acquaintances made through campus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae sorority life. She should not plan to pledge to a sorority unless she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it.

All groups are worthy of membership and rushees are urged to make decisions independently and on the basis

of congeniality.

It is beneath the standards of sorority women to speak disparagingly of any chapter or any sorority. A member of one organization who so forgets and criticizes any member of another group, or the group as a whole, will discredit herself in the eyes of all sorority women and rushees.

It is beneath the standards of sorority women to allow any illegal methods in rushing. A sorority member may give information on the history, standards, finances, and program of her sorority.

Detailed information concerning rushing will be given in printed form to all girls who attend the first Panhellenic meeting and express their interest in receiving this material.

In order to be eligible for pledging a girl must be taking at least twelve hours of academic work and must have a "C" average from high school or from the preceding semester.

REQUIRED PROGRAM

All undergraduate students under thirty years of age are required to complete successfully four semester hours in physical education. This requirement must be fulfilled during the **first four semesters of their college work** unless postponement is authorized by the University Administration. It is the responsibility of each student to comply with this requirement. Failure to do so results in an automatic "F" that is entered on the student's transcript. This requirement must be completed by students who transfer from other institutions and have not had its equivalent. No exemption from or credit in physical education is allowed for service in the armed forces, ROTC, or intramural athletics.

Entering women must take Pn 90 and entering men Fn 97-98. Pn 90 is designed to give each student work in body mechanics, rhythms, relaxation, and experience in the basic individual and team sports. Fn 97-98 provides each man the opportunity to participate in golf, tennis, badminton, basketball, gymnastics, speedball, softball, and paddleball.

A regulation uniform is mandatory. It may be purchased for a nominal cost at the University Book Store.

A student, accumulating four hours of unexcused absences in physical education, is automatically placed on class attendance probation. If a student accumulates five hours of unexcused absences, he is failed for the semester. A student who accumulates an excessive number of absences should consult with the instructor concerned in order that permission may be obtained to withdraw officially from the class. This withdrawal is not considered official until it is cleared through the Registrar's Office.

Review of 1953-54 Season

Football—Playing the most rugged schedule in its long history, the game but green Hatters posted three wins against six losses last year. Western Kentucky, Morehead State, and Tampa fell before the hard charging men of Jay Pattee, while the Hatters dropped decisions to SEC powerhouses, Auburn and Florida, Wofford, East Carolina, Eastern Kentucky, and Florida State.

Walte Golde was selected as the outstanding lineman while Hank Boyer received the Phil Jochem Trophy as the most valuable player. Nick Colantuano garnered the McMullen 60 minute player award. Hal Knowles and Boyer were selected as the outstanding back and lineman of the week among players of all Florida colleges. In Spring practice, Art Park and Ted Revack were chosen as the team's outstanding back and lineman.

Veterans from last year's squad who will return in-

clude Marks, Hoffard, Revack, Semanie, Siekaniec, Stephenson, West, Shamrock, Park, Best, Frith, Geiger, McLin, Weightman, McNeil, and McBryde.

The Hatters will be guided this year by Coach Herb McQuillan who produced some of Stetson's greatest teams in former years. Coach Joe Berry will again handle the line.

Basketball—The Hi-Hatters ended the year all even in twenty games and managed to supply its followers with moments of elation as well as minutes of despair. Losing four of their first eight games by three points or less, the Hats came back to post resounding triumphs over every team in the state. Included in this skein were a 19 point win over Florida, 18 point victory over Rollins, 22 point triumph over FSU, and a decisive 52 point win over Miami.

For the second straight year the Hi-Hatters were chosen as the top team in the state. John Imgrund and Jim Yonze were selected first team all-state with Imgrund being a unanimous choice.

Highlights of the season included participation in the Senior Bowl at Mobile and a flying trip to Kentucky where the Hatters battled fourth-ranking Western Kentucky on even terms for three quarters.

Loss to the squad via graduation are Capt. Ed Hansel, Jim Carlin, Jack Smith, Bill Garrett, Imgrund, and Yonze. Lettermen returning this year are Cassidy, Crumpton, Howard, and Silvers.

JV Basketball—Under the capable leadership of Jack Oksnee and Bill Layer, the JV squad posted an impressive 10-5 record against all the state's junior colleges and outstanding service teams. Award winners expected to make the jump to the varsity are Painter, Blue, Reynolds, Weber, Taylor, and Hopkins.

Baseball—Paced by the heavy hitting of Stan Marks and the clutch hurling of Jerry Boxer, the baseball Hatters had at least one win over every team in the state on the schedule, including Rollins, the Southern NCAA champion. The Stetson diamond artists, with a lineup consisting mostly of freshmen, held their own against out-of-

state opponents, Georgia Tech, Amherst, and Presbyterian in achieving its 11 won and 9 lost record.

The sensational hitting of Stan Marks who, with a .452 average, was selected All-Southern, the pitching of freshman ace Jerry Boxer with five wins against a single defeat, and the double-header victory over FSU were the season's standouts.

Letter winners were Bedan, Knight, Roberts, Hopkins, Crouch, Marks, Taliani, Hoffard, Imgrund, McDowell, Boxer, Gilliland, Reynolds, Crumpton, and Mgr. Brasmar. The baseball team was under the able management of Coaches "Doc" Johnson, and Charley Rose.

Golf and Tennis—Inexperience hampered the golf and tennis teams, but both squads rose to heights upon occasion. Herndon, Bryan, Howard and Vas formed the nucleus for Coach Wes Berner's linksmen while Norden, Ericson, Driver, Decker, Gibson, Durham, Holley, and Mgr. Morgan were awarded letters as members of Stetson's first tennis team in several seasons. Coach Dick Morland and Far Tuttle handled the tennis squad.

The women's intercollegiate golf team meets teams from other colleges and participates in university sports days. The players also have the opportunity to compete in the winter circuit of Florida tournaments as well as to represent the University in the national intercollegiates at Greensboro, North Carolina. In 1950 Stetson's team of Grace Lenczyk and Marjorie McNeely were national intercollegiate women's champions. In 1951 and 1953 the women's team placed second.

Students interested in trying out for this team should contact the director of physical education for women.

Sports Day—The Rollins-Stetson Sports Day is held annually, alternating the site each year. This fall Rollins will be the guest of Stetson. Sports competition will be held in archery, basketball, golf, tennis, softball, and volleyball.

SPECIAL INTRAMURAL EVENTS

DRAMATICS

Rules

1. A scene or scenes from a longer play instead of a one-act play may be presented.
2. No play may require more than 55 minutes for presentation. All incidental music, etc. must be included within this time limit.
3. The number of persons in the cast is not limited.
4. Permission to use plays and payment of royalties must be handled by each manager directly with the publishers BEFORE the play is presented.
5. The order of presentation will be determined by lot.
6. Each cast will require not more than six minutes to set its stage and two minutes to clear. This rule may be waived at the discretion of the dramatic intramural leader.
7. No decorations of any kind, no screens used as backgrounds nor backdrops supported in any way may be used. This rule may be waived at the discretion of the dramatic intramural leader.
8. The regular intramural rules will govern all other problems.
9. Absolutely no persons other than those who belong to the intramural group will be allowed to participate in any way connected with the production of the play.
10. Theta Alpha Phi members are excluded, but will be allowed to direct the production if the managers call them.
11. Types of plays to be presented will be comedy, farce, and melodrama.

Plan of Contest

The leader of intramural dramatics will give each group a statement as to locations of doors and windows, a cyclorama, and an exterior set, if possible. He will cooperate in every way with coaches and casts, but the

latter must take entire responsibility for securing properties. Since neither settings nor properties will be equally suitable for all plays presented, it is obvious that judges will NOT judge the stage sets but the play presentations themselves.

Each cast is responsible for its own stage and for removing its properties immediately at the close of the play so that the cast presenting the next play may set its stage properly.

All plays will be presented on the one night, and the announcement of the winners will be made after the last play is over.

INTRAMURAL DEBATE RULES

1. Florida Beta chapter of Pi Kappa Delta will select and publish the topic for debate.
2. All independent and fraternal organizations may enter.
3. Any student who has not engaged in intercollegiate debating at Stetson University or at any other college or university is eligible to participate.
4. There will be one women's league and one men's league.
5. There will be both preliminary and final rounds. The winners and runners-up in both men's and women's divisions shall participate in the finals.
6. Each entry may have both an affirmative and a negative team, but if only one team is entered, that team must be prepared to debate both affirmative and negative.
7. The constructive speeches will be six minutes. and the rebuttals will be three minutes.
8. One faculty member will act as judge for each preliminary debate; there will be three judges for the finals.
9. The debaters will be judged on the basis of delivery, content and logic, and ability to hold interest.

INTERFRATERNITY SING

The purpose of the Interfraternity Sing is to develop an interest in singing through competitive participation among the undergraduates of Stetson University. The

contest is open to all Greek letter fraternities or sororities on campus.

Each participating group will sing one fraternity song (or medley) of its own choosing, the arrangement of which must be in at least three-part harmony. The director will be a member of the group.

The program will be judged on the following points: (1) Musicianship and Interpretation; (2) Tone; (3) intonation; (4) Diction; (5) Blend; (6) Balance; (7) Arrangement and its Adaptability to the group; (8) Presentation.

The contest is usually held during the first week in May and is judged in two divisions, one for women and one for men. The winner in each division is presented a trophy, and three wins retires this trophy.

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear.

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion:
Bright is their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus:
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus,
Hail Alma Mater dear!

GO, HATTERS, GO (Feasel)

Hatters, you will win the game; Listen to our cheer
(Go, Hatters)
Shout the glory of your name; Spread it far and near
(Yea, Hatters)
Alma Mater, praise to thee and to our teammates true;
(Go, Hatters)
Marching on to victory. Let's Go, Hatters, Go!

WE ARE THE GUYS FROM STETSON U. (arr. Giffin)

We are the guys from Stetson U. you hear so much about.
The other schools all envy us whenever we go out,
SO, fill your lungs and sing it out and shout it to the
skies,
The Green and White forever, we'll be loyal 'til we die.
As we go marching and the band begins to play,
 Rah! Rah! Rah!
You'll hear us shouting: Stetson U. will win the day.
 Fight!

STETSON HATTERS (Newlin)

Here comes our team in green and white.
They're out for victory here tonight.
See them fight, fight, fight,
 See them stand for the right,
Now watch them as they go,
 Now sing it: S-T-E-T-S-O-N, Stetson **Hatters**, Hatters
S-T-E T-S-O-N, Stetson **Hatters**, Hatters,
 Guard that line, now see us shine,
For we're the guys from Stetson U.
 For it is: S-T-E-T-S-O-N, Stetson **Hatters**, Hatters
S-T-E-T-S-O-N, Stetson **Hatters**, Hatters,
 Guard that line, now see us shine,
For we're the guys from Stetson U.

SCHOOL SONG (Smith-Chapman)

Dear Alma Mater,
We love your spirit,
We love your valor true and fine.
Your colors waving in all the glories
Of the honors won through time.
Our school we cherish, with all its glory;
There's not another one compares.
We love its victories
And Hatters all will fight
For dear old Stetson U.
